**COMMENTS ON THE EXAMINER'S
STATEMENT OF REASONS FOR ALLOWANCE**

Sir:

In reply to the Examiner's Statement of Reasons for Allowance, provided with the Notice of Allowance dated October 30, 2007, Applicants submit the following comments.

The Examiner offers reasons why the claims of the present application are allowable over the prior art of record. Although Applicants agree that the various claimed limitations mentioned in the claims are not taught or suggested by the prior art taken either singly or in combination, Applicants wish to emphasize that it is the language of each claim, including the interrelationships and interconnections between various claimed elements which is allowable over the prior art of record, and not the Examiner's paraphrasing of claim features which are not present in any of the allowed claims.

For example, the Examiner indicates that "the pushing fingers when, in the closed position extending into the cavity, do not protrude from the concave half but are within the space of the concave half." As this language is not recited in the allowed claims, Applicants submit that the claims are allowable without relying on such language.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact John W. Fitzpatrick at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, DICKEY, & PIERCE, P.L.C.
